Very, Very Little Things.

But very important — your blood corpuscles. They are bright red. They are so small that it takes over 3,000 of them in a line to make an inch. The bright red color comes from the iron in them. When there is not enough iron the blood is thin and watery and impure. Purity and vigor go together. Brown's Iron Bitters is the only safe iron tonic ever made. It enriches the blood, builds up the system, gives health, strength, and enjoyment of life.

FOR SALE OR RENT.—A frame residence of seven rooms, located on Steele street, two squares from the bridge. For terms apply at this office or to Dr. U. V. Williams.

Week of Prayer.

They have put in the latest and most improved machinery and are prepared to do custom grinding promptly and well, and we would advise our farmer friends to go and see them. They will deliver goods in any part of the city, and have an up-town office at 318 Main street, up stairs, where orders may be left and will receive prompt attention. These enterprising young men deserve to be encouraged and we hope our citizens will not forget the firm of Milam & McKee when they wish to purchase meal or hominy.

Mr. Linn Lewis, on Christmas eve, took a block of wood about a foot square and 18 or 20 inches long, bored a hole in it, put in a charge of powder and a fuse, lit the fuse and started off. He had gone but a few steps when it exploded, and a portion of the block struck him on the right thigh just above the knee joint breaking the bone in two places. Although suffering a great deal, we are glad to learn he is doing well.

A Card.

To the Democrats of Franklin County: I am still in the fight for Jailer. I am making the race upon my own merits, upon honorable and high principles, without whiskey or money. If the Democrats of Franklin county owe to any one an office it is to myself, for I have been a faithful worker in the ranks for 25 years. I was a Democrat when a baby and have held my own ever since, and I enjoy a large share of the Democratic confidence. If elected I will faithfully and bravely, with pride and pleasure, discharge my duty as an officer. Very respectfully, **THOMAS E. DAILEY.**

Why Jews Live so Long.

The New England Medical Monthly comments very favorably on the proverbial long and healthful lives of the Jews. Dr. Picard holds that this superiority is due to their stringent health laws. The Mosaic, like the older Egyptian code, is very stringent regarding the eating of flesh and other articles of food. Of the animals examined, a large proportion are always condemned as unfit for food. People who eat meat indiscriminately are very prone to disorders of the blood and of the kidneys, for meat is composed of nitrogen, which the kidneys have to remove from the blood, and of course they cannot do this successfully except by the aid of Warner's safe cure, the best kidney strengthener, unless it is temperately partaken of and only the very best meat is used. Jews also use alcoholic liquors very sparingly and thus keep up good digestion, and then again they are a holiday-loving and Sabbath-observing class.—*Housekeeper.*
